Seeking caring, curious Registered Massage Therapist to join our team.

The Relaxing Wellness Company located in Douglasdale is looking for amazing registered massage therapists to join our multidisciplinary studio! Share your skills, intuition and teaching abilities in a warm, supported environment located in SE Calgary. Our office is easily accessible via Deerfoot trail, close to fish creek park and many convenient amenities.

Relaxing Wellness has operated in the SE quadrant of Calgary since 2008. We moved to Douglasdale in Feb 2015 and have been a pillar in the community since. We have won an award for best massage studio in Southern Alberta and have been nominated 4x by Top Choice awards. We believe in community support always, donating time or services to many local sports teams, dance studios, the annual Douglasdale/ Douglasglen fun run, aid station requirements for local events, and fund-raising opportunities for those in need.

We impart our core values of Gratitude, Integrity, Freedom, Teamwork and Superior Service on each client we help.

The team at Relaxing Wellness is a group of dedicated professionals and lifelong learners with expertise in many modalities. We seek collaboration amongst the group when running into challenges. We believe you can increase your knowledge from anyone if your open to learning.

With the help of our team, RWC has created a beautiful space with outstanding practitioners and we are looking for more team members. We need help with evening and weekend requests. Treatment rooms are available from 3:30 to 8:30 pm in the evenings and 8am-5pm on Saturdays and Sundays. We ask for minimum commitment of two, 5 hr shifts / week.

We are a supportive, communicative company focused on multidisciplinary health and wellness. Our services include massage, manual osteopathy and medical aesthetics. We use technology in the office to augment and accentuate the body's natural physiological processes to help our clientele. Our clientele includes chronic pain sufferers, folks seeking new ways of self-maintenance, athletes, models, celebrities, and weekend warriors. We have a mentoring program in place, support lifelong learning, encourage learning and treatment exchange from all practitioners in the office, and offer above average compensation with added incentives to boost your earning potential. We use Mindbody as our scheduling system as well as artificial intelligence communication with clientele. We strive for above industry standards in all we do, including the respect we give each other and the superior service we provide to our clients. Our culture is key to how we share our gifts with the world.

If the following descriptions of our studio resonates with you;

- Collaboration amongst peers,
- Lifelong learning,
- Being of service to others,
- Supporting local community events which resonate with you,
- Integrated approach,
- Natural organic health and healing,

And you are a 2200hr RMT, or higher, please email your resume and cover letter indicating why you're the candidate we are seeking, your hours of availability and days you can commit to in person at:
